

LAV Workplace Health & Safety Policy
Response to COVID-19 Coronavirus Disease

For the health and safety of our guests and staff we will be implementing the following policy until further notice to minimize the transmission of Coronavirus.

1. If you present with flu like symptoms we will be unable to check you in to our facility.

le. If you have any of the following a sore throat, runny nose, cough or believe you have a temperature above 37.3 degrees we ask that you do not travel to stay at our facility as we will ask for you to first get a doctors clearance before your room key is provided.
2. If you present with flu like symptoms while dining at our facility you will be asked to leave the dining room immediately.
3. If you are feeling unwell please remain in your room and call our front desk and notify us and we can help you in organizing medical attention and food to your room. If this occurs we will notify your supervisor who will notify BMA.
4. If you have been asked to self-isolate at our Village and are not following this procedure correctly your accommodation will be revoked.
5. We ask everyone who has contact with LAV to be extra vigilant with hygiene, particularly hand washing, at all times. The LAV team have in place additional resources to ensure the cleanliness of the Village.
6. Please report any issues relating to this matter to our front desk and your supervisor. If you feel unwell or have further questions please call 13432584 (13HEALTH)

Thank you for your co-operation.

Scott Clements

Director | Leichhardt Accommodation Village

Effective as of March 12th, 2020
