Safe Walking Buddy: Ask at reception or call the 24-hour phone number if you need assistance to walk safely within the village grounds. Stick to the paths.

Did you know close proximity rooms are available? A close proximity room can be requested any point during your stay, please contact your village administration regarding this. All enquiries handled confidentially.

Lock your doors and windows and take your keys with you when you leave the room. Report issues with Village staff.

Your personal details and room information are kept confidential at all times.

Report it: Email bmavillageoperations@bhp.com with feedback from during your stay, or suggestions for future improvements.

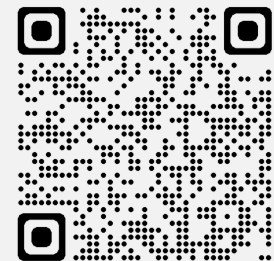

Stick to paths to reduce injuries from slips and trips and stepping on any wildlife!
